Subject: Re: NSICOP briefing on Emergency Act

Howdy Lisa-Marie & Sean,

The NSIA asked that we reach out, as Mike said, and offer a secure briefing on the EA tomorrow to the Committee.

I think we would propose a simple agenda, focused around some of the unique authorities granted under the EA, and how they have been used to date.

If you think this is something that the Committee would find useful, please let me know and we can begin planning the logistics around how best to get everyone together for the brief, and set out a bit of an agenda to keep everyone organized.

Happy to connect directly to discuss.

Cheers,
s.38
